Dear fellow G.S.S.A members,

It was too bad that we had to call off our first scheduled ride of the season due to lack of snow. However, on the positive side, Mother Nature must have felt our disappointment because she decided to cover the mountains that day with that white stuff. Hopefully the snow will keep falling and piling up and we won't have to call off anymore rides due to lack of it.

I would like to congratulate all club members for winning "Club of the Year" for the 2008-2009 season. It is the hard work and dedication to the sport and the community from all our members that make us a great organization and keep us propelling forward. Keep up the great work!

I would like to welcome three new members to the club, Levi Melehes, Casey Pratt and Paul Avner. Additionally, Levi and Casey are employees of Club Rec in Eden, Utah. At November's meeting, Levi explained to us about Club Rec and what they have to offer the club. I am looking forward to working with them and Club Rec. Make sure you stop by Club Rec whenever you are in Eden and check out what they have to offer us.

Thank you to all who filled out the "Million Dollar Club Support Program" coupon from Ski-doo. I took all the completed coupons down the ADS Motorsports and turned them in during their Open House, November 14<sup>th</sup>. Hopefully we will hear something back from Ski-doo real soon and generate a little money for our fund.

Thanks to all who attended November's dinner meeting and ensure to thank Mary Mark for donating her time in preparing the Thanksgiving basket we raffled off at the meeting. Thanks Mary!

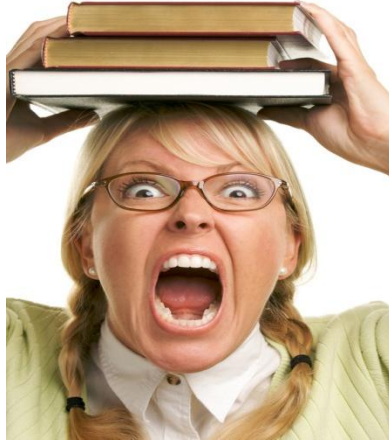

Over the past couple weeks in my spare time I have been working on a website for the club. The site will be basic at first, yet containing pertinent information. However, as I become more website savvy, I will make the site more dynamic and interactive. When the site is up and running on the internet I will notify all club members of the website address. After the site is up and running, please provide me with feedback on how to make the site better. As always, all suggestions will be considered.

Our next scheduled ride is at Woodland on January 9<sup>th</sup> and hopefully we will be able to go! We still need someone to volunteer to lead this ride. If you are interested please let me know. We will depart the Noblett's parking lot at 9:30 a.m. Additionally, if for some reason we will need to cancel the ride, a club officer will contact you the night before.

I wish all of you a Merry Christmas and Happy and Prosperous New Year.

Sincerely,

Jeffery P. Eddings, President

I would like to apologize to the members that names were misspelled or just completely left out. Due to my lack of inexperience of creating a phone book I did the best I could with the information that was given to me. The board members are brainstorming to come up with a better way to receive information from the members. If you have any suggestions please E-mail them to [gssautah@yahoo.com](mailto:gssautah@yahoo.com)

New and Improved phone books are in the makings and will be available at the January – April meetings.

Lisa Kowalewski  
Secretary

There are 9 of last year's members who have not renewed their membership for 2009-2010 season. We ENCOURAGE you to do so.

Renewals must be received by December 31<sup>st</sup>. Those who have not renewed by this date will be dropped from the membership roster, phone book and mailing list.

Just a reminder, Our January club ride's have been scheduled for January 9<sup>th</sup> at Woodland and January 23<sup>rd</sup> at Monte Cristo
